The Cedar Rapids/Linn County Solid Waste Agency has a great opportunity for a VO or VO/SOT. 6th graders from the Cedar Rapids Community School District are visiting the Agency's County Road Home facility in Marion.

Students are getting the chance to tour the DNR's Mobile Education Semi and visit our commercial recycling building to see what happens after they leave their recyclables at the curb. They also tour the Pollution Prevention Center, the Swap Shop, where residents can get free materials like paint and cleaners, and the landfill itself.

This is the third year for the tours. So far, more than 900 students have taken part. The tours continue Monday through Wednesday, May 17, 18 and 19 next week from 9 a.m. to 11:30 a.m. There are around 100 students on each tour. Please give us a call if you would like to cover one of them.

WHEN: May 17, 18 & 19, 9 a.m. to 11:30 a.m.

WHERE: Cedar Rapids/Linn County Solid Waste Agency, 1954 County Home Rd., Marion
